

"Smart Technologies for Next Generation of Informatics, Engineering, Business and Social Sciences"

2018 5th International Conference on Business and Industrial Research

MAY 17 - 18, 2018 Thai-Nichi Institute of Technology, Bangkok, Thailand

Honorary Chair

Supong Chayutsahakij

Chairman, Thai-Nichi Institute of Technology Council

General Chair

Bandhit Rojarayanont

President, Thai-Nichi Institute of Technology

Organizing Committee

- **Pichit Sukchareonpong**
Thai-Nichi Institute of Technology, Thailand
- **Choompol Antarasena**
Thai-Nichi Institute of Technology, Thailand
- **Rungsun Lertnaisat**
Thai-Nichi Institute of Technology, Thailand
- **Wanwimon Rongtheera**
Thai-Nichi Institute of Technology, Thailand
- **Hiroshi Konno**
President, Tohoku Institute of Technology, Japan
- **Suguru Sawai**
President, Hokkaido Information University, Japan
- **Kazuko Suematsu**
Tohoku University, Japan
- **Branka Vucetic**
University of Sydney, Australia
- **Ying-Dar Lin**
National Chiao Tung University, Taiwan
- **Samuel S. Chua**
Lyceum of the Philippines University, Philippines

Technical Program Committee

- **Ruttikorn Varakulsiripunth (Chairperson)**
Thai-Nichi Institute of Technology, Thailand
- **Hitoshi Isahara**
Toyohashi University of Technology, Japan
- **I Wayan Mustika**
Universitas Gadjah Mada, Indonesia
- **Tsutomu Konosu**
Chiba Institute of Technology, Japan
- **Senshu Yoshii**
National Institute of Technology, Miyakonojo College, Japan
- **Salahuddin Muhammad Salim Zabir**
National Institute of Technology, Tsuruoka College, Japan
- **Kosin Chamnongthai**
King Mongkut's University of Technology Thonburi, Thailand
- **Waree Kongprawechon**
Sirindhorn International Institute of Technology, Thammasat University, Thailand
- **Kuntpong Woraratpanya**
King Mongkut's Institute of Technology Ladkrabang, Thailand
- **Saiyan Saiyod**
Khon Kaen University, Thailand
- **Wimol San-Um**
Thai-Nichi Institute of Technology, Thailand
- **Thitiporn Lertrusdachakul**
Thai-Nichi Institute of Technology, Thailand
- **Chark Tingsabhat**
Thai-Nichi Institute of Technology, Thailand
- **Bundit Anuyahong**
Thai-Nichi Institute of Technology, Thailand

Call for Paper

Nowadays, various technologies are researched and developed in order to fulfill the needs of Industry 4.0 or Fourth Industrial Revolution. Faced with these new major challenges, it is necessary to rethink many areas of industrial production systems and implement numerous transformations. There are several important functions to enhance the efficiency of this advanced manufacturing, those are modern business strategy, digital transformation technology, communication, data science and so on. This conference provides an opportunity for faculty members, researchers and students who have involved with these areas to get together for sharing their achievement. The participants will discuss and exchange opinions to realize smart technologies for next generation of industry regarding to informatics, engineering, business and social sciences.

Conference Topics

Track 1: Education, Language and Social Science

- Modern Teaching and Learning Methodologies
- Education System Management
- Language Efficiency Improvement Strategy
- Social Sciences
- Language Teaching
- Others related topics

Track 2: Information and Communication Technology

- Digital and Multimedia Technology
- Computer Networks Performance
- Networks and Cyber Security
- Data Science and Analytics
- Business Intelligence and Technology
- Web Technology and Mobile Applications
- Other related topics

Track 3: Sciences and Engineering

- Artificial Intelligence and Robotics
- Computer Vision and Image Processing
- Production and Automotive Engineering
- Embedded System Architecture
- Electrical Power Systems
- Other related topics

Track 4: Business Administration

- Logistics and Supply Chain Management
- Innovation in Public Administration
- Organizational Behavior
- Banking and Risk Management
- Finance and Accounting
- Marketing Management
- Tourism
- Other related topics

Submission of papers

The full paper has to be prepared by using ICBIR2018 template and written in English within 4-6 pages in length, double-column A4 pages including all text, figures, tables, and references. The paper should consist of up to 200 words abstract and up to 5 keywords. No page number should be printed. The manuscript MUST be submitted to online submission system in PDF format only. The submitted papers must not be published or under consideration to be published elsewhere. Some of accepted papers may be considered to revise and extend the paper to be published in technical journal of Thai-Nichi Institute of Technology.

Important dates

Paper submission deadline	Extended to February 25, 2018 (Final)
Notification of acceptance	February 28 - March 20, 2018
Camera ready submission by	March 31, 2018
Conference registration deadline	April 20, 2018
Presentation date	May 17 – 18, 2018

Venue

Thai-Nichi Institute of Technology

1771/1 Pattanakarn Rd., Suan Luang, Bangkok, 10250, THAILAND

Tel: +66 (0) 2763 2752, +66 (0) 2763 2704

Secretary: Pramuk Boonsieng

Fax: +66 (0) 2763 2754

Email: icbir@tni.ac.th
