

## Curriculum Vitae

### **Tatsuya Kawada, PhD**

Professor, Graduate School of Environmental Studies, Tohoku University  
Aoba 6-6-01, Aramaki, Aoba-ku, Sendai 980-8579, JAPAN  
TEL: +81-22-795-6974  
E-mail: kawada@tohoku.ac.jp

### **I. Personal Data**

Name (First/Family Name): Tatsuya / KAWADA  
Birth Date/Year/Place: May 31 / 1960 / Maebashi, Japan  
Present Position: Professor, Dean of Graduate School of Environmental Studies, Tohoku University  
Address for work: Aoba 6-6-01, Aramaki, Aoba-ku, Sendai 980-8579, JAPAN  
Telephone: +81-22-795-6974  
E-mail: kawada@tohoku.ac.jp

### **II. All Academic Degrees Obtained**

**March/1984:** BS of Engineering, The University of Tokyo, Tokyo, Japan  
**March/1986:** MS of Engineering, The University of Tokyo, Tokyo, Japan  
**March/1995:** Ph.D. (Engineering), The University of Tokyo, Tokyo, Japan  
Thesis Title: "Research on Materials for Planar Solid Oxide Fuel Cells"

### **III. Complete Professional Background**

**April/1986:** Research Scientist, National Chemical Laboratory for Industry, National Institute of Advanced Industrial Science and Technology (AIST) (Reorganized to National Institute of Materials and Chemical Research, AIST in January/1993)  
**April/1994:** Senior research scientist, National Institute of Materials and Chemical Research, AIST  
**August/1995:** Associate professor, Research Institute for Scientific Measurements, Tohoku University (Reorganized to Institute of Multidisciplinary Research for Advanced Materials, Tohoku University in April/2001)  
**April 2000-March2001:** Guest Associate professor, Graduate School of Energy Science, Kyoto University  
**May/2006-present:** Professor, Graduate School of Environmental Studies, Tohoku University
